RETAIL PRICING

- Manhattan 6" or 10"
- Manhattan 4" (add 20%)
- Hampton (add 35%)
- Buffalo (add 50%)
- Camden
- Princeton
- Long Island

Use this chart to price any shade in this style group in any of our non-difficult fabrics (see pg. 5). Simply determine the fabric's price category (A, B, C or D*), find your size and drop down the column to find the price for the appropriate fabric category and optional linings (linings are priced per lining). At the bottom of the column you will find popular options and net freight charges. Pricing includes our regular poly/cotton lining. Optional linings include heavy sateen, interlining, thermal or room darkening. All stock fabrics on pg. 5 with (*) are difficult fabrics in this style.

- SB = Scallop Bottom (trim recommended)
- 6" Scallop Valance: Add 100% to flat valance price.
- Top Treatments: Add 36" to the valance length and add returns on the width.

* Price D fabrics as C + 25%.
 ** R.E. = RollEase; T.D.B.U. = Top down, bottom up (valance not included)

RollEase Controls:

Std - #10 color coordinated plastic beaded chain or nickel metal chain, (plastic is quieter & Superior selects color). Optional - stainless steel or custom color beaded metal chain (colors have less flexibility in chain links), \$30 per shade (Call for colors). (See pgs. 6 & 29 for important warranty info on RollEase)

Shades with valances have a 2 1/2" board and valances with returns are made 1" wider than the shade.
